## Rotary Gift of Life China – Shanghai

### What / Where:

- Shanghai rotary sponsors needy children in China to have open-heart surgery. The surgeries are performed at the Shanghai Chest Hospital, Pediatric Cardiac Clinic.
- Dr. Chen Chun and Dr. Pan lead the team at the pediatric unit.
- The Physicians identify and evaluate candidates for the surgery. They make candidate recommendations to the Rotary club Gift of Life committee.
- The committee provides needed funds directly to the hospital to fund the medical costs associated with the surgery and treatment of the child.
- Surgery and treatment costs typically reach around US\$3,000, which is paid in locale currency.

### When / Who:

- 1<sup>st</sup> child received surgery on May 24<sup>th</sup>, 2001
- 2<sup>nd</sup> Child - Hung Tong Lin, 2 ½ year old, girl from Nanchung orphanage received surgery on the 26<sup>th</sup> June, 2001
- 3<sup>rd</sup> child selected and surgery planned for August 1<sup>st</sup>.

### How:

Funding is provided through

- Individual donations by members of the Shanghai club
- General funds from the club
- Corporate sponsors
- Other Rotary club support

### Would you, your family or your firm like to save one precious little life?

The Rotary Club of Shanghai would be delighted to help you identify a child in dire need of life-saving heart surgery.

For a typical donation of RMB 25,000 (roughly USD \$3,000) we can arrange for your child to be treated by a first class surgical team at the **Shanghai Chest Hospital**.
